## VOLUME 27

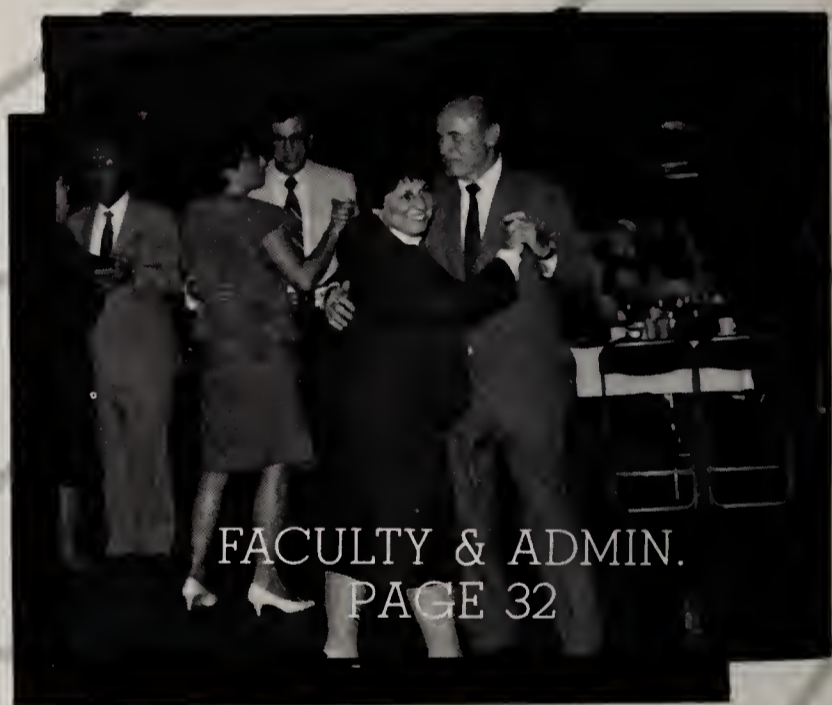

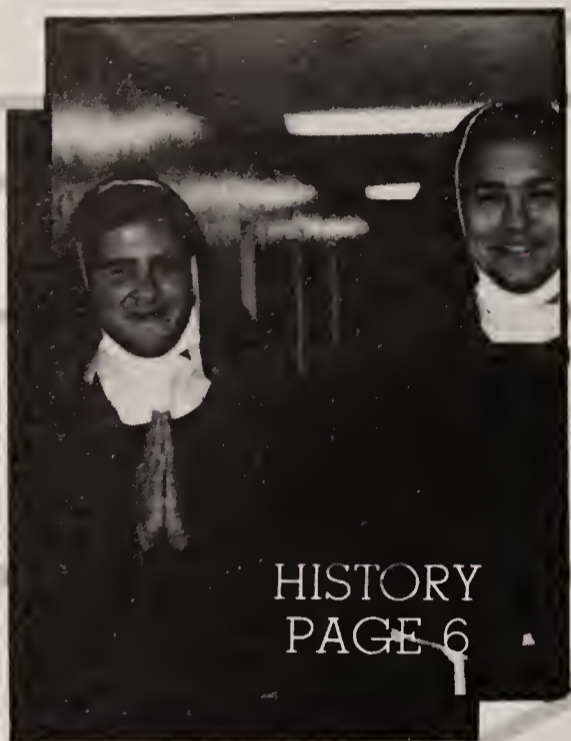

*In late August of '81  
we ventured out as freshmen,  
And May of 1985  
brought us our graduation.*

*A storybook of memories  
reprinting yesterdays,  
dazzling colors, black and whites  
different ones on every page.*

*In four short years  
we've traveled miles,  
together we have grown,  
Friendships made are not forgotten  
as we leave our second home.*

*Now we wander through the pages,  
looking at familiar faces,  
Now we see the ways we've changed  
and reflect upon the times we've shared . . .*

For the past six years the student body of Assumption College has known Father Peter Precourt not only as the Dean of Student Affairs but also as a devoted priest and friend.

Within Father Peter's many roles as Dean of Student Affairs he has been able to share his knowledge, experience, kindness and love as a friend to many students. For the teaching and for the love you have shown you will be greatly missed and fondly remembered. So to you Father Peter we dedicate this page of our yearbook to express our sincere appreciation for all that you have done and to wish you the best of luck in your future endeavors. Father Peter we thank you.

Sincerely,

# FRESHMAN YEAR 1981-1982

AS TIME GOES BY . . . By Celia Barletta

Well, here we are again. Spring is finally coming. The days are longer, the sun shines brighter, spirits are higher, and the anticipation of the summer is setting in our minds. Our windows are open, the curtains are fluttering in the cool breeze, distant stereos are dueling to be heard, and the late afternoon sun is streaking through the trees.

I remember our first spring at Assumption, it wasn't much different from this one. We were just finishing our first year at college and that was enough to think about. We weren't concerned with the future beyond summer employment. And that was all right.

As freshman, we came here not sure what to expect or what was expected of us. We were torn between our ties at home and new relationships developing here. We were filled with a sense of newly found freedom because we were on our own here. Freshman year was a year of adjustments . . . .

"High School days are memories past, College days are here at last."

"The class of '85 are not your typical Freshman." Were the words of Le Provocateur as we entered our new dimension.

Although these words might have been true, the things we did were nothing new.

We ran to the mailbox, found fake I.D.'s., snuck into the pub and had scooping sprees.

We waited for the shower and phone for our turn, the average things a freshman must learn.

Gaining the freshman 20 was our biggest fear, but eating in the cafe wasn't the event of the year.

Ray Boston played at orientation and welcomed us to college Life, and J. Giels played at E.M.

Loew's and kept us going thru the night.

Jonathan Edwards brought us music on Spree day, as we enjoyed the other events on that day in May.

Suddenly we were all faced with a dilemma, our dorms would be single sex starting in September.

But to our freshman administration that was nothing new, because Greichen-Carroll & Murphy were all the same sex too.

Our first year at Assumption was over and done, We hoped our next three would be just as fun. 7

# SOPHOMORE YEAR 1982-1983

*S*ophomore year, things seemed to come together or first. We knew where we were living and had friends here to meet us when we arrived. We were the masters of lower campus with the freshman humbly falling at our feet- or so we'd have liked to believe.

*Just as everything seemed to be smooth sailing, an obstacle jumped in front of our ships from the depths of the registrar's office. We were asked to declare a major. Our souls drooped with a sigh as we faced a question that could determine our lives. We began to doubt. We doubted what we were doing here and why we even came here in the first place. And worse, we began to doubt ourselves. We made it that far, but who's to say we could go all the way? I guess you could say we confronted "sophomore slump"*

*Then suddenly, like the clouds after a storm, we began to answer our questions and to discover who we are and why we came here. Without realizing it, we were changing. We shed our "freshman attitudes" and gradually crept toward a new self. Although we couldn't see the changes in ourselves, we had a new, good feeling within. So the warming winds of spring brought with it the promise of a restful summer and the anticipation of junior year. Sophomore year was a year of change . . .*

"Sophomore year we came back to a slump. No kegs. No parties . . . we were down in the dumps."

Most of us turned twenty and tried the local gin mills, Tammany Hall, The Loft, Casey's, Leitrum's, we couldn't keep still.

Our attempts to convert lower campus to coed dorms

Were defeated when we were told it was to stay the norm.

Nevertheless our fun did not sour,

The A.C. females had the all girl happy hour.

Two bands came later to give us more of a start,

They were Southside Johnny and Pousette Dart.

Our barbecue was the event that took over the spring,

When Fernando DeSilva did the most memorable thing,

He was standing there so innocent and cute . . .

Suddenly finding himself in his birthday suit!

Other events that happened that year,

Casey's was enlarged and the pub opened six nights for beer.

Enter Cyr-Bowler & Murphy for a term

Exit kegs - the decision was firm.

And so ends a year very different from the last,

To add to the other memories we have from the past.

# ... JUNIOR YEAR 1983-1984

*J*unior year was comfortable. We were old enough and experienced enough to relax with ourselves and our environment. We had found a direction in which to go. Our goals were starting to be set. We had ideas of what we wanted to do after college and we knew what we had to do to achieve our goals. But we still had the security of one more year until facing the "real world".

*We* became settled. We were more sure of ourselves, our surroundings, and others. Since we had more or less "found ourselves", we had more opportunity to find others. We cultivated our friendships to make them closer and stronger.

*Spring's* warming winds found us regretting the quickness of the passing days. We were becoming dangerously close to being seniors and, therefore, were beginning to lose the security of being able to "play school" as the fear of real life was welling within us.

*Junior* year ended too soon. Just when we finally got this place and our lives here under control, they told us it was over. Junior year was a year of growing and expanding . . .

"Upper campus is our new home,  
No more dorms or halls to roam."

Townhouse living at last . . .  
Gerring our phone . . . and bills - What a blast?  
Move over SAGA, mac and cheese is at hand,  
Hello Murphy, Taylor & Lambert, goodbye Bill  
Sutherland.

The all junior happy hour started the year rolling,  
While NRBDQ and the Homerown Rockers kept it going!  
The Jr/Sr Exclusive was the classic event for the fall  
As we all got dressed up and had quite a ball.  
Second semester was the opening of the Campus  
Center,

As the doors of the Merro were also ready to enter.  
February marked a new realization,  
500 Daze 'til graduation!

Jimmy Mac was the fortunate one to entertain us that  
night

But our class took over - Wow what a sight!  
The Stompers and Beaver Brown spruced up our  
Springfest

As the rain put a damper on the rest.  
Later that semester, the 6-man residents were forced  
to the campus center to retire,  
When the volunteer's house went up in fire.  
Our third year at AC was now at a close,  
Where the time went nobody knows.  
We realized though it was time to depart  
Soon to return as seniors for a brand new start.

# SENIOR YEAR 1984-1985

Senior year has been fun, but scary. The nearness of our debut in the world was instilled in every move we made. The challenge of becoming an adult in the working world has been suspended above us through each day of classes, each test, each interview. It seems the clock ticks away our time faster and faster. Why is it that the more you're enjoying yourself, the quicker the time passes? Spring is here again. It crept in between the shadows of the trees. It's here to claim us. Spring is calling the seniors to break away from their collegiate lifestyles and realize their full potential in the world. It's not easy. Then, what is?

Each of us arrived here alone on a hot, muggy day in August. We grew, changed, and developed our minds and our hearts. We made ourselves a career as students and built ourselves a home here with a family of friends.

But the warm spring winds are calling now. They're advising us to gather our knowledge and store it in our minds for the future. They're telling us to open our hearts to our "family of friends" and keep them close. They're whispering to us to remember all the lessons of academics, love and life. Now it's time to leave. We must leave the way we came; alone. And that won't be easy.

Spring is a time of new life and beginnings. In the spring we are revitalized, refreshed, and readied to face the future. Many of us are unsure what the future will hold, but we have more now than we began with. We're going out beyond the guard shock of educated adults with a firm foundation from Assumption College.

Senior year is a year of anxiety, planning, thinking, and remembering. It's the year of stepping out to show the world what we are and who we have become.

"The end is approaching very fast  
We wish our days would last and last"

We come back with the knowledge that the pub  
would be no more,  
But that didn't stop us from partying, that's what senior  
year was for.

Glimpses of reality began to appear  
With resumes and cover letters in search of a career.  
Some opted for grad school and took those awful tests,  
While others decided to put their education to rest.  
With reality knocking at our door,  
We realized our fun would last just one year more.  
Steve Londesberg came to tell us some jokes,  
But it all turned out to be a big hoax.  
The pub reopened but it just wasn't the same,  
Because at the beginning nobody came.  
And the wrist bands became a thing of the past.  
The Jr/Sr Exclusive was a classic once again,  
With the Victims supplying the music to the very end.  
APATHY was the word of the year,  
As we all sat back and drank another beer.  
Taylor, Cahill & Lombardi put up with grief  
As Fr. Peter, Burke & O'Brien turned over a new leaf.  
Receiving rejection letters - Can we cope?  
But then again, "Do we really need 'Hope'?"  
Finally a new dorm, better than the rest  
But it's for freshmen, can they pass the upper campus test?  
Another chapter comes to a close,  
What the future holds, nobody knows . . .

# GONG SHOW

The third annual Gong Show proved to be a big success (hosted by Mike Dipietro and Deidre Gavin) Some of the acts included the R.A. Players, a little Breakdancing, and a winning performance by Kerrie Butler singing Lionel Richie's "All Night Long".

Another one of Assumption's fall activities included a stunning performance by Steve Landesberg, better known as "Dietrich" of Barney Miller.

# PARENTS' WEEKEND

# PARENTS' WEEKEND

November 2nd and 3rd kicked off the annual Parents Weekend activities.

Instead of the traditional weekend activities, students and parents were encouraged to attend all activities throughout the entire weekend.

Friday nights activities included dinner in the Taylor Dining Hall, the play *Definitely Eric Geddis* was performed by members of theater productions and a Casino/Carnival night was held in the Campus Center. Each event was well attended and full of activity.

Saturday began another full day of activities, The Assumption Chorale sponsored a concert in the salon, Mass was offered in the Chapel of the Holy Spirit and President Hagan held a reception for Parents and Students at his home. At 9:00 pm a dance was held in the gym. The atmosphere was set as that of the "Big Band Era!" The band "Valley Big Band" provided music for dancing to hits of the "Swing Era" As we said our sentimental "goodbyes" to our parents the next day, it occurred to us that the next time "We" will all be together will be at graduation. We now close yet another chapter in our lives as seniors at Assumption College.

# JUNIOR-SENIOR

This year's Junior/Senior Exclusive was held on Saturday, November 17 in the Câmpus Center. This event, co-sponsored by the Junior and Senior classes, provided much fun and enjoyment for all who attended. The music was provided by the band "The Victims" and there was plenty of food and drink. This annual event was well attended by members of both classes. Everyone arrived in "high spirits" to enjoy the company of classmates and friends, not to mention, to kick up their heels on the dance floor.

# ASSUMPTION IN MOTION

---

---

The Faculty and Administration section is a very important part of our yearbook.

Unfortunately, not all of them are pictured on these pages. Pictured or not, these people have played a major role in our lives. They were not merely educators but role models, mentors, and friends. They helped us to nurture that part of our souls which have allowed us to grow in many ways. When we arrived here four years ago they seemed a bit intimidating but as the years passed, we

came to know and value their friendship and advice.

Their accessibility and knowledge of their subject matter helped us to formulate our plans for the future. And as members of the class of 1985, we wish to recognize all those who helped us in our achievements and although it seems inadequate to the task they had undertaken, we want to say **THANK YOU.**

All-American At His Best

## FOOTBALL

Assumption's Ultimate Offensive Weapon

This year's team posted a 4-4 record, but more notably featured the strongest running back in Assumption College history. All time offense leader Russ Guertin was a threat in both rushing and receiving, while Tom Kane's workman attitude earned the respect of his teammates as well as his opponents.

The team peaked in mid-season with a big wins over Providence, 21-17 and MIT, 29-15 after tough losses to Bentley, 10-13 and Stonehill, 14-20. Along with Guertin, juniors Jake Fahey (punter) and Ken Harrison (cornerback) earned All-American status. Senior Mark Brennan added both great strength with quickness at defensive end, earning him All-Conference honors. Also earning All-Conference recognition were juniors Peter Garrity (defensive tackle), Rich Bradley (offensive tackle), John Irwin (wide receiver) and sophomore Dave Mc Manus (center).

Along with Guertin, senior Chris Burger and junior John Downes captained the team this year. An early season injury sidelined Burger, while John Downes play merited him another season as captain. Peter Garrity's consistent hard hitting and junior Bob Morgan's all around play at linebacker earned them honors for next year, joining Downes.

## FIELD HOCKEY

This year's Field Hockey team was inexperienced with only one returning senior, captain Kathy Hussey. Senior Meg Hamilton, who was to accompany Hussey as captain, was plagued with injury and unable to play this season. High scorers were senior Kathy Hussey, junior Ellen Moynihan and freshman Ellen Tremper. Even though the team's final record was 1-13-1, next year should be very promising as 15 of the 18 players are underclassmen.

Front row (left to right): Ines Rutkouskis, Diane Leroux, Karen Glispin, Mo Flanagan, Kim Miller, Kathy O'Neil. ## SOCCER

The 1985 Hounds played strong defense all year, but were unable to generate enough offense for a winning season. Brian Wilbur's strong goal keeping held the oppositions scoring average to under three goals per game, but the team was only able to post a 2-12 record.

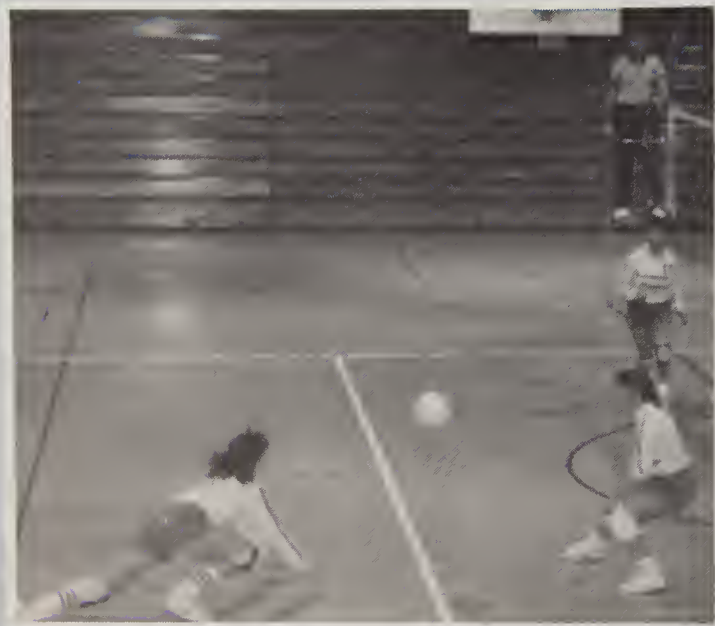

Sophomore Brian Hartnett played well enough to earn all Northeast-8 Conference honors. Senior Brian Sullivan consistently tested the oppositions goalies, backing 36 shots in the year. Michael Butler was high scorer for this years team, while senior Mark Bartolomei led in assists.

## CHEERLEADERS

No football or basketball game would be complete without the enthusiasm generated by the cheerleaders. With their amazing stunts and catchy cheers, they add an extra spark to the excitement of the game.

Led by Coach Rosemarie Windmill the following cheerleaders added spirit to our games; Kelly Avery, Jennifer Cammara, Sue Costello, Lisa DiNardi, Michelle Doherty, Giordana Fiorauanti, Sue McGee, Kelly Ann Regan, Colleen Ryan, Sonia Santorelli and Chris Terriault.

"Don't worry Helen I've got it!"

## WOMEN'S BASKETBALL

Finishing sixth in the Northeast-8 Conference helped to establish the Hounds as a possible future powerhouse in the league. Led by captains Carol Krupa, Karen Doucette and Helen Russell, the Hounds finished with an overall record of 7-17. A strong team effort awarded the Hounds with exciting wins over Keene State, 94-79, Worcester State College, 82-50, and American International College, 79-58, among others. Congratulations go to Carol Krupa as she was named All-East (E.C.A.C.), All-New England and All-Northeast-8 Conference. Carol's personal best came against Keene State and American International College as she scored 29 and 30 points respectively. She also led the team in rebounds in 12 contests. Point guard Karen Doucette provided the Hounds with the strength they needed in the backcourt. Karen completed the amazing

feat of leading the team in assists in 23 out of 24 games. Head coach Rita Castagna can be especially proud of players Helen Russell and Carol Sullivan. Helen demonstrated skill, dedication and determination by leading the team in points three times and in rebounds twice. Carol's best effort came in a win over rival Bryant College. Next year's team looks forward to the return of Jenny Conley, Carol Sullivan, Debbie Paquette and Barbie Barrett. "Friars Away! Assumption just won!"

# Hounds Stun Providence

By Jim Connolly  
Telegram Sports Writer

PROVIDENCE — Assumption College shocked previously unbeaten Providence 70-67 at the Civic Center last night to end a 20-year hex and remind loyal followers of NCAA glory days in the early '70s.

Not since 1963 had Assumption defeated Providence, not until last night when the upstarts from Division II shocked the Friars back to reality.

Last week, the Friars completed a week in Hawaii by upending Virginia and edging host

Chaminade. After two days back from such an awesome start, Providence, in turn, was jolted by Assumption, a veteran team (three seniors, two juniors) primed for an upset.

It was merely the fourth victory for the Greyhounds in 50 tries against PC of the Big East and it was no fluke. PC may have been mentally exhausted or just caught looking back but it caved in under fierce man-to-man defensive pressure by Assumption Coach Joe Mullaney used the words "discouraging," "bad mental attitude" and "killed us inside."

Assumption got its running game ignited

with eight minutes remaining to rally from a 50-43 deficit. Whirling dervish Darryl Parker led the pressing Assumption attack and was the nucleus for an 11-point uninterrupted spurt that put the Hounds ahead to stay. Then the underdogs sank nine of 10 free throws in the clutch and sent fans scurrying to the exits with 21 seconds left.

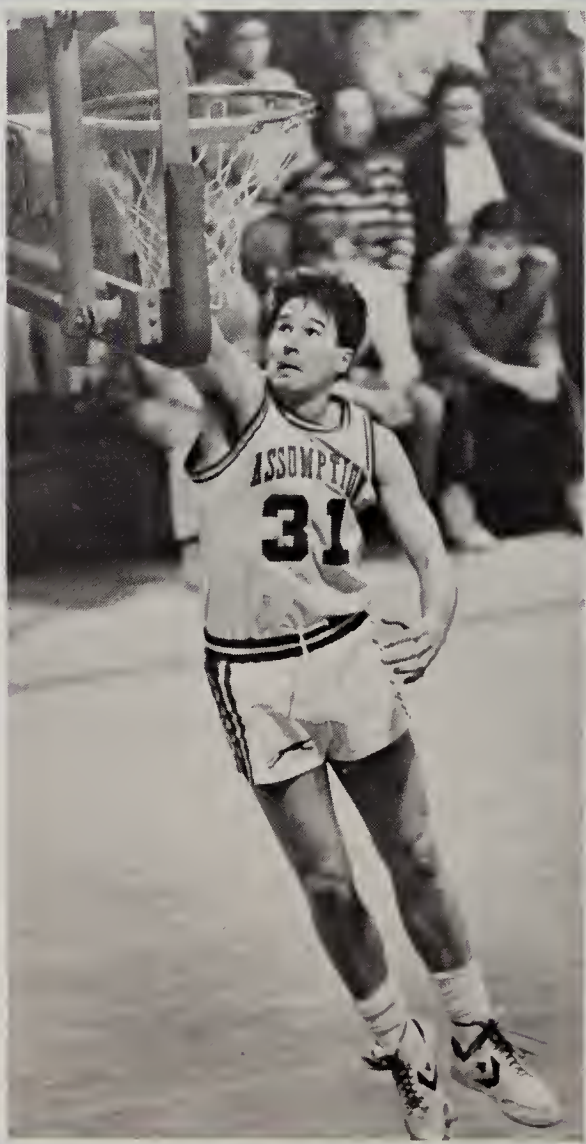

"Fantastic," said Parker, a scrappy 6-5 senior point guard with springs for legs and a chestful of heart.

"I thought we were going south when we were down by seven," said 6-6 senior forward Kevin Nolan. "I felt we couldn't do it

but we went man to man and we did it. It's the biggest win since I've been here. The first thing I'm going to do is call my dad. It's the first time he hasn't made it up for this game."

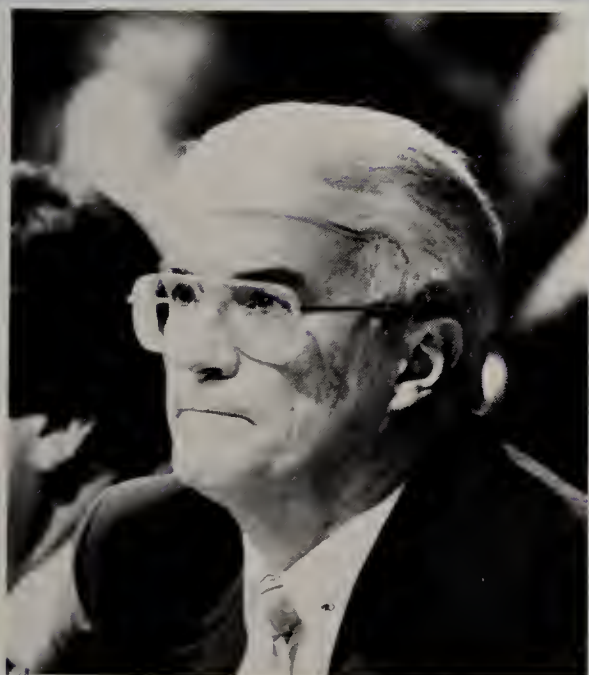

It's a dream for a bunch of Division II kids to come down here to play in front of a crowd in the Civic Center and everything and beat them," said 6-7 junior Scott Schoonmaker who led the scoring by bulling inside for 20 points.

Turn to HOUNDS Page 28C

"Get out of the way, I'm going for the basket."

## MEN'S BASKETBALL

More significant than the Hounds finishing third in the Northeast-8 Conference, the 1984-85 team marks the end of an era, as Joe O'Brien leaves as head coach to the prestigious position of Executive Director of the Naismith Memorial Hall of Fame in Springfield, MA. O'Brien leaves posting the most wins in Assumption College history having a 321-173 record over an eighteen year term as head coach.

O'Brien's last season was marked by a stunning victory over Providence College (70-67), only the third time the hounds have beaten PC in the 50 meetings between the two. Junior Scott Schoonmaker (20 points) and Senior John Miller (16 points) led the Hounds to their most impressive victory of the season.

Senior Kevin Nolan ended his career by making

the Division II All-East team, All-New England, and All-Northeast-8 Conference team. Nolan placed third in all time Assumption scoring list (1,769 points) and second in rebounds (1,190) in his four year career. Another senior to leave his mark was Darryl Parker, who set the record for most assists for an Assumption player, with 640. The 6 foot 4 inch Parker was so versatile that he could play any of the five positions on the court both offensively and defensively.

Front row (left to right): Jim Moore, Matt Dunn, Captain John Miller, Captain Darryl Parker, Roger Canestrari, Tom Ehrhart. Second row (left to right): Mgr. Mark 'Hollywood' Henderson, Craig Burton, Scott Schoonmaker, Matt Zalauskas, Jim Best, Kevin Nolan, Harold Lewis, Bryan Parkhurst.

# HOCKEY

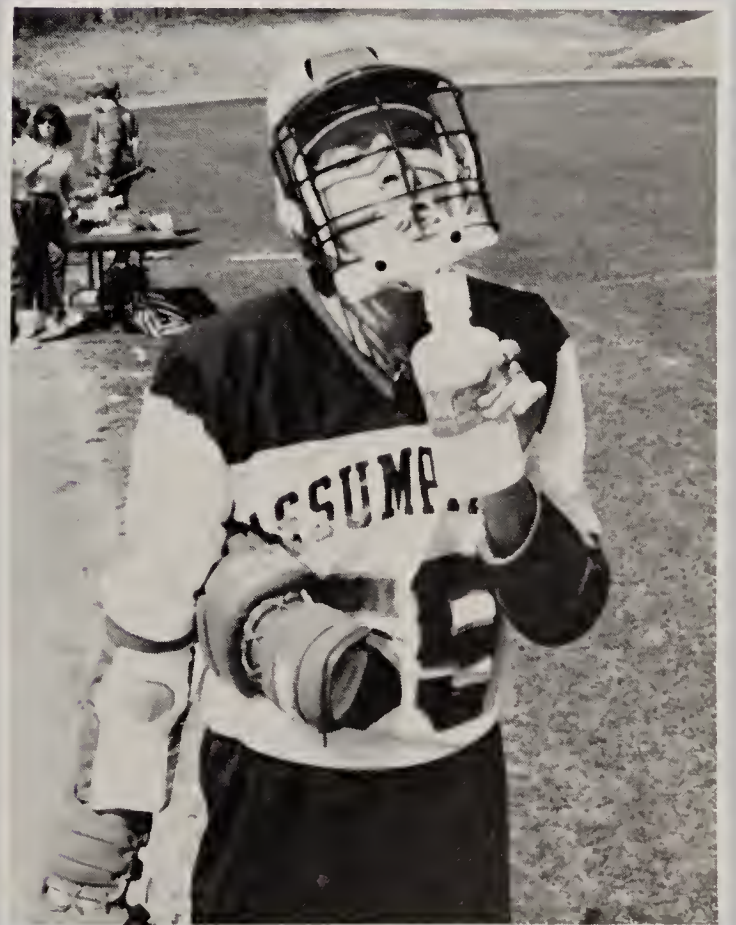

Improving upon last year's season, the young Hounds posted a 15-6 record behind the strong play of sophomore defenseman Tom Scoffield and post-grad goalie Ed McDonald. For the second season, the Hound's qualified for E C A C playoffs, reaching the quarterfinals. Tom Scoffield led the nation's defensemen in scoring with 52 points. Having an outstanding season, he was named E C A C Division III player of the year, earning him MVP of this year's team and captain of next year's team. Also having a premier season was post-grad Ed McDonald. His consistent play in goal was an inspiration to his team. The Hounds hope to have a better year in '86, with most of the team returning.

Front row (left to right) Grayling Bradford, Renee Paulin, Diane Randeou, Shoran Bouchard, Beth DiRico, Don Senecal. Second row (left to right): Coach Stan Choinski, Andy Laiselle, Chris Dunn, Captain Sophodes Casis, Captain Neal Canway, Ed Richer, Steve Saccoccia, John Warnham.

The Softball team had a fine 16-10 season under the dedicated coaching of Brian Kelly and captain Helen Russell. Helen was the only returning senior and demonstrated her experience in the positions of short stop and third base. She provided the team with 30 hits, 5 stolen bases, 1 home run and 16 runs batted in, for an impressive batting average of .357. Other outstanding performances came from Ellen Tremper (first base) and Barbie Barrett (short stop and pitcher).

## BASEBALL

The Hounds posted a 16-9 record this year despite not having one senior on the team. Finishing the season winning 8 of the last 9 games, the team looks primed for next season. Fran Correlli will be the force on the mound, as he pitched in all of the final winning games. Correlli finished the season with 6 wins and 4 saves at the plate. Coach Barry Glinski can look forward to the return of junior Peter Rolf as he hit 6 home runs, a season record for left handed batters. Junior Wayne Patterson improved his batting average incredibly, from .234 to .402. Patterson also hit in the last 16 games, which is the longest streak in any season. Juniors Ray Fagnant (catcher) and Mike Thorn (left field) added outstanding performances at bat, hitting 28 and 32 respectively. This young team looks forward to a promising future.

Spree Day was held on Saturday, April 27, 1985. Assumption Students attempted to break the Guinness Book of World Records for the game Twister, while The Ramones, The Fools and Digney Fignus provided musical entertainment. Thanks to the hard work and unselfish contributions by Mike Yoken, Kristen Johnson, Jackie Jones and Shiela Waldren, Spree Day 85 was a great success!!

## SPECIAL FRIEND . . .

Today, I wish for you all of the happiness that you are so deserving of. I wish that all of your dreams will be fulfilled. and that sunshine and laughter will follow you wherever you go. I wish you all smiles, new adventures, new friends, and success in everything you do. I wish you the best of everything to match the best in you. And one more wish I have, more for me than you, special friend, to see all of these wishes come true.

## Pursuit of Happiness

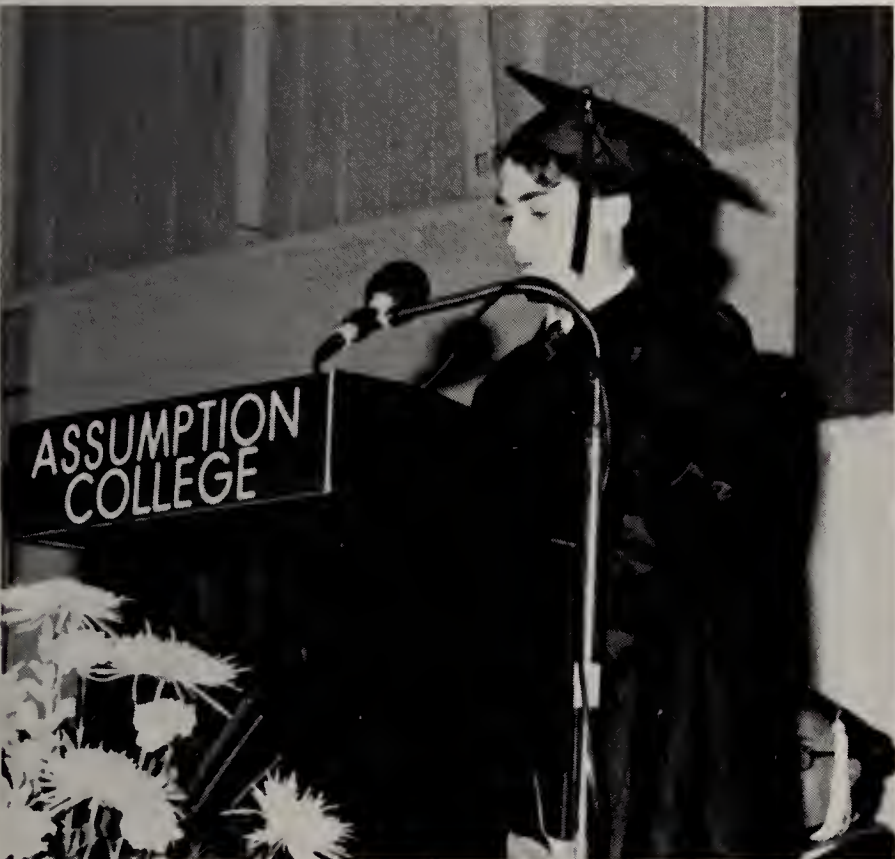

"Happiness is like a cat. If you try to coax it or call it, it will avoid you. It will never come. But if you pay no attention to it and go about your business, you'll find it rubbing against your legs and jumping into your lap. So forget pursuing happiness. Pin your hopes on work, on family, on learning, on knowing, on loving. Forget pursuing happiness, pursue these other things, and with luck happiness will come."

## EPILOGUE

The time has come to close one book and open another. What we together have written in the first cannot be changed. Our smiles, our tears, firsts of every kind are recorded now, for better or worse. Though we cannot change what has been done, we can look again, look back to see what we have gained from these four years, among them a liberal arts education and, hopefully, an idealism and an enthusiasm for living which will help us face new challenges which will undoubtedly arise in our lives.

We are challenged to open a new book. The pages are blank now - how shall one begin to fill them? Be aware that this task will not be easy. The years at Assumption we leave behind help us to look ahead, because they have allowed us to discover our own uniqueness as individuals, to decide who we are and in which direction we wish to go in life. Knowing one's heart and mind, this, then, is education in the greatest sense . . . The drawing out from oneself all that exists within. Our educators have helped us to learn to think for ourselves, to think about thinking, to create; perhaps these are the beginnings of a life-long process of self-actualization.

## EDITOR'S PRIVILEGE

One upon a time in an office way underground a small group of elves were putting together a yearbook (without much help from the rest of the population who were very apathetic). They had few problems as they worked on the book and sent this to the publisher.

Dear Jostens,

I thought I'd sent page forty-four,

But I found it on the floor,

It is enclosed with ninety-eight

I'm sorry it's a month too late.

I said I'd send the rest myself.

These ten were lying on a shelf.

The pages I sent as six and seven

I'd like to send as ten and eleven

That is unless they're already done

In that case make it ninety-one.

Please send page twelve and thirteen back,

I should have made those two girls tack.

Instead I sent girls' volleyball

and that can't go there at all.

I had it planned wrong that's the thing

I plumb forgot in came in "spring".

I'm sorry all our stuff was late,

Could that affect delivery date?

Love,  
The Editors
